Pulse of Parish presenter: Patrick

**7:00**     Tom     Financial Updates: For June, building use income was only a little less than budgeted, which is great; a \$500 increase from Chinese Day Care. Income a little less than budgeted, would be lower except for \$7,000 from solar rebate – a once a year amount. **Year to date, we are well ahead on income, without adding surpluses from prior years. Lower than targeted on expenses.**

**7:10**     Mike     New building user (spiritual director) Used to have three or four people; now **someone new will be coming once or twice/month**

Potential: Parenting Teacher (maybe in fall) Episcopal Montessori teacher is exploring renting space, serving 10 to 12 couples.

**New Business**

**7:10**     Al     Dellwood Property Exploration Team: Update: **Al is lead on team with Matt Cole, Cindy Lee, Ella Snyder.** Making inquiries about what was explored in prior years. Fr. Randy has talked with the Bishop. Any agreements must be cleared through the Trustees. Don't want to lose tax-exempt status of property; whatever we do needs to be consistent with the church's mission.

**7:30**     Mike,     Lemonade on Lawn: Vestry (July 25: St. C day) Planning: food shopping Ann and Jeanna; round tables; serve inside; lawn games will be available

**7:45**     Chris     **Stewardship update, plans: God has work for us to do, mantra for the whole year.
