

# Advent Blessings Book

God gave us the gift of God's Son to the world. To give thanks for this gift we can remember each day all the ways God continues to shower us with blessings each day during the season of Advent.

When it is convenient for your family to gather around the crèche or dinner table, write down in the Advent Blessings Book three ways your family has been blessed over the preceding 24 hours. When these three blessings have been noted, pass the book to each person. There is space for each person to write down three personal blessings. As the blessings grow in the book, everyone will see in very concrete terms how each member of the family has been blessed.

On Christmas Eve or Christmas Day, you can review the list of blessings bestowed on your family during the Advent season. The book can be placed near the crèche or hung on the tree, or placed in a family scrapbook.

You can use a small notebook, or print and assemble the pages below.
