

## Advent Coloring Calendars

On the next 2 pages you will find different Advent Coloring Calendars. Pick a calendar to use. Each day pick one box and write a word in it – it could be something/someone for whom you are thankful, it could be someone to keep in your prayers, it could be a word that you want to reflect upon. You decide the “rules.” Once you put the word in the box, decorate the box with color – you could fill in the box, or doodle in and around it, as you think about the word in the box. It’s a coloring prayer exercise. By the time you get to Christmas, you will have 25 color prayers.
