News & Announcements for the Week of
March 15, 2020

Children's Faith Formation

Today: We will take a field trip to the altar to see firsthand what happens during the Holy Eucharist.

Next Week: Today we explore the Godly Play story of Baptism in preparation for a baptism at the 10:30 service next week!

Serve and Play - Saturday, April 4, 3:00–6:30 PM. This is a family event – parents and children participate together. Youth and additional adults are welcome to join us. We begin at Feed My Starving Children in Coon Rapids to pack food, and then we head to Flaherty's Arden Bowl for a game of bowling. EVERYONE needs to register – both Feed My Starving Children and the bowling alley need numbers. Registration is on our website under Learn/Birth to 5th grade; or register in person with Marion.

Youth Formation

Sunday Mornings at 9:30 AM! This is a time to check-in and talk about some of the major themes that await us in the Sunday liturgy.

Adult Forum

This week: Caring for God's Creation, part 2 with Allison Jensen.

Next week: Caring for God's Creation, part 3 with Karen Hartman and Madisen Crow.

East Metro Mission Area Lenten Series "Caring for God's Creation"

We will continue with our discussion series during Adult Forums at 9:30 on March 15, 22 and 29, and will wrap up with another soup supper at St. Christopher's on **Thursday, April 2, 2020.** We need volunteers to bring soup and bread for the April 2 event. If you'd like to contribute a pot of soup or a couple loaves of bread, please see Kathy Ackerman.

Shoveling

Please sign up to shovel or snow-blow our sidewalks for a week this season. Potentially a few weeks left! A sign up board is in the narthex. Check in with the office about a key to the garage, where the snow blower is kept. **Thank you** to those who have already been shoveling, and salting, and sanding...!

Talking Trash (Recycling and Composting)

If in doubt, throw it out—What!? The Green Team says to toss stuff in the trash? Only sometimes!

It's clear that many of us are confused about what to recycle, because our bins have items in them that don't belong. While some cities' haulers accept all plastics, our city of Roseville uses Eureka Recycling, which does not accept #3 or #6 plastics (also no plastic flower pots). We need to follow the rules so that our refuse doesn't mess up their machines.

So to do our best job of recycling:

—Everything going into recycling **MUST** be free of food and food residue. All food containers must be completely rinsed out and set up to dry, and

—It is **IMPORTANT** that **NO LIQUIDS** be put in our recycling or trash containers.

Thank you for your cooperation!

—Bruce Warkentien & Allison Jensen
